Appendix C-4

Original Annex Box # 120

Correspondence folders. 3 sets of folders: One topic is "Handi" with various sub-topics, usually tied to a particular bill. Second topic is "CHD" (likely means "child and human development"), again with folders by sub-topic/bill. Both of these sets include green carbon copies over HAW signature as committee Chair usually with attached original correspondence. Bulk date is 1980, but there are some 1979, and a few 1977. Most Handi appear authored by Jan Zarro, and some phone slips and other material to her is in file. CHD appears to be authored generally by Pat Markey, and there is a small file of Markey memos. Folders include some original correspondence from Dept of Health, Education and Welfare (HEW) to HAW on government/committee business. Letters are from individuals, associations, etc. A third set of folders contains duplicate white carbon copies on the Handi topic (all sub-topics) from 1980.

Re# 143: Kept select white carbon copies (duplicates of the greens).

Original Annex Box # 125
