Appendix C-6

Original Annex Box # 228

Committee materials re: Buffalo Creek matter.

Inspection Reports	1970	1972	2 binders of copies of BoM inspection reports re: East Gulf Mines, Westmoreland Coal Co.	Kept none
Loose	1972	1972	Over 3000 pages of materials related to Buffalo Creek, WV mining disaster. Includes original field notes, BoM inspection/assessment reports, testimony, maps, photos, etc. Material is often stamped "camera ready." Consecutive handwritten numbers are written on most of these materials. All are stamped with Jacket # 81-435. Most material is photocopied, but some is original, particularly committee field investigation notes. Also, a notebook of handwritten notes, not readily decipherable, but appears to be mostly indications of contacts and key points from some interviews.	Kept none

Original Annex Box # 229

Committee files. Bulk is draft transcripts sent out by, and returned to, the committee staff with any comments re: accuracy.

Binder/ Blacksville	1972	1972	Carbons of field notes of interviews and other background prepared by committee staff re: Blacksville #1. Not transcripts, just summary notes.	Ref# 260. Kept binder. All carbons, exact duplicate of binder in box 232.
Transcripts / Buffalo Creek Hearings	1972	1972	Multiple copies of draft transcripts of May 30 and 31 hearings before subcommittee re: Buffalo Creek, WV. These copies were sent to subcommittee senators and at least one witness to review and comment on accuracy of transcript; these were the returned copies. Notations on copies of senator responding. Minor annotations/underlining in some. There is one to and returned from HAW.	Kept none (same as Ref# 269/270)
Loose / BC	1972	1972	Draft committee print of May 31 hearing re: BC. Plates of engineering surveys prepared for committee by Corps of Engineers re: BC. Connor's copy of a staff report on investigation of Buffalo Creek. Draft copy of HR 3/15/72 hearing re: BC (might be same from another box). Carbon of note for file (unattributed) re: BC. Typed and handwritten drafts of BC report.	Ref# 274. Made copy of staff report.

Original Annex Box # 230

Committee reference material

W.A. Wahler Contracts	1970	1972	Photocopies of BoM RFP documents received from various firms, including Wahler engineering, re: evaluation services for mill tailings disposal practices and problems in Southwest US. Appears to be multiple copies of much of this. Some has minor original annotations. Appears to be linked to Buffalo Creek at least indirectly because of nature of BC problem (waste dam broke).	Kept none
W.A. Wahler & Associates Corporate Info	ud	ud	Standard Wahler bound documents regarding their company and project experience.	Kept none
Buffalo Creek Disaster: Logan County, W. VA.: Background for Hearings 5/30-31/72 [Sub-folder:] Buffalo Creek Materials for Hearing Record [sub-folder:] Additional Material	1972	1972	Indications are that this is Bill Connor's material. Consists of a nice set of documents preparatory for the hearings: carbons of field interviews, summaries, staff descriptions of their goals for the testimony at the hearings, relevant technical background material, list of victims, advance copies of witness statements, etc. Much of this was found in one form or another in other boxes, but this seems to have additional material, plus it pulls it together with a focus.	Ref# 264 and 265. Made copies of most, including field notes and hearing matter. Did not make copies of some handwritten notes and ref material.
Loose	1972	1972	Several standard mining self-inspection documentation booklets (blank). Preliminary Evaluation of Buffalo Creek Engineering Geology (draft). Handwritten (original and photocopied) spreadsheets of BoM violation assessments.	Kept none

Original Annex Box # 231

Files of Bill Connor. The most substantive material, and bulk of box, are blueprints provided to the committee by Pitston Company under subpoena.

Blueprints	1972	1972	46 large blueprints (#1-46) related to Buffalo Creek, WV. Condition not good: fading, running, yellowed. Mining disaster, 1972 investigation (blueprint, maps, clippings). Original letter (Aug 6) from mining company's law firm to Bill Connor apparently referring to these documents is in box as well. These materials were apparently provided in response to committee subpoena.	Kept none
Envelope	1972	1972	Original correspondence from law firm to Bill Connor with additional blueprints (#53-61). Adds to above material.	Kept none

Buffalo Creek Clippings	1972	1972	Binder of newspaper clippings from Charleston Daily Mail and Sunday Gazette-Mail, glued/taped to paper.	Kept none
Buffalo Creek Clippings	1972	1972	Binder of newspaper clippings from Logan (WV), glued/taped to paper.	Kept none
Buffalo Creek Clippings	1972	1972	Binder of newspaper clippings from Charleston Gazette (WV), glued/taped to paper.	Kept none
Loose	1972	1972	Pink carbons of HAW thank-you's to various individuals for testifying to subcommittee re: Buffalo Creek. Photocopy to Connor of Pittston Co note to HAW re: their subcommittee testimony on CMH&S act compliance.	Kept none

Original Annex Box # 232

Box contains many folders related to mining disasters. Most belong to the committee staff, mostly Roy Wade, Chief Investigator. Other material can be linked to Gerry Feder, Don Elisabeth, or Bill Connor. Much of the material is simply general reference material. However, much is also original typed investigation notes, hand drawn charts, annotated hearing and bill drafts, and correspondence. Some of the primary material (e.g., investigation notes and reports) has photocopies or carbons in the box.

[Bureau of Mine Injury Stats]	1966	1977	Includes loose material re: S.717 (CMH&S amends), including Table of Contents (ToC) summary and summary of various proposed amendments. Annotated injury statistics, including hand-drawn tables.	Ref# 321. Kept copy of S.717 ToC (5/16/77)

Mining Legislation, Oversight, & Investigations: Reference Notes

Appendix C-6

Computer printouts	1972	1972	Copies of "Mine ID Cross Reference" Lists, includes names of mines, associated codes, etc. Probably needed to understand other reports in other boxes. Two runs, similar but do not appear exactly identical.	Kept none
--------------------	------	------	---	-----------

Original Annex Box # 236

Mostly, perhaps all, files of counsel Gerry Feder.

Coal Mine Health	1970	1970	General reference material. Most clearly has Gerry Feder material. Congress Record, clippings, HEW reports, Interior press releases, research papers from various sources, including UMW, etc. Some original handwritten notes. Some original correspondence to Feder or to HAW.	Ref# 319 Kept any extra carbons/copies.
Lucas	1970	1970	General reference material. Looks like Feder mostly. Lucas was up for nomination to BoM, but was withdrawn. Scoop Jackson's committee, not HAW's. Clippings, press releases, print of hearings, copy of Miners for Democracy letter to Scoop opposing; green carbon of HAW's note to Scoop opposing; original response of Scoop to HAW and white house aide acknowledging a HAW note on subject. Copies of material relative to Osborn, named in place of Lucas.	Kept none
Penalties	1970	1970	Folder labeling consistent with Feder. Photocopies of general information on BoM penalties. Some original handwritten notes. Typed questions for HAW to pose to Interior	Ref# 320. Kept items that had duplicates either in this folder or in other folders below.
Research	1970	1970	Feder file. Interior press releases. Another copy of the HAW questions from prior folder.	Ref# 320. See 320 above
Staff Meetings	1970	1970	Gerry Feder file. Appears to be material collected to be discussed at a staff meeting on CMH&S. Original material sent by Interior to Feder per committee request, Federal Register of regulations, handwritten notes.	Kept none
[Power Shortages]	1970	1970	Gerry Feder file. Clippings, drafts of statements and speeches (presumably for HAW), industry correspondence to HAW on the subject, HAW and DNC press releases, Congress Record.	Kept none
Pending Bills	1970	1970	Gerry Feder file. Original correspondence between Senators Yarbrough and Bennett, referred to committee. Bill prints, Congress Record, copies of notes and memos on HR bills.	Ref# 320. See 320 above
Tony Boyle	1970	1970	One Congress Record page.	Kept none
Budget	1970	1970	Bill and hearing prints from HR and Senate re: appropriations for fiscal 1971. Congress Record, National Coal Policy Conference newsletter on the budget, photocopy of BoM (?) notes on budget	Kept none
Availability of Equipment	1970	1970	Gerry Feder file. Original material from Interior to Yarbrough/committee, BoM press releases and notes on equipment. Also some unrelated material here: Copies of BoM violation and other reports re: Hyden, KY; clippings; a folder "Mideast Speech," presumably by HAW, but not attributed; two file indexes, which includes a table of contents related to a document "Nixon on the Issues, produced by the Nixon-Agnew Campaign Committee.	Ref# 320. Kept one copy of BoM survey re: CMH&S

Secret Meetings	1970	1970	Gerry Feder file. Relates to Interior regulation-making and industry/Senate and House committee concerns that rules were promulgated without adequate comment process (i.e., in “secret meetings”). Original correspondence from Interior to HAW and Feder re: rule-making process, copies of Rep Hechler (WV) correspondence to Interior (and responses) on the matter, copies of law firm memos representing Miners for Democracy expressing concern about process, original draft of comments/questions on the process (presumably meant for HAW to ask of Interior), copies of safety standards, Interior press releases.	Kept none
