### **Original Annex Box # 14**

Mike Goldberg folders 1979-80, mostly re: appropriations for OSHA and mine safety enforcement.

**Ref# 436.** Made copies of the few briefing notes.

### **Original Annex Box # 23**

Subject folders coded 402 (Economy) and 403 (Manpower). Mostly clippings and reference material. Some GAO reports. Transcript of a May 1975 hearing on contract practices. (Kept none)

### **Original Annex Box # 47**

Subject reference files coded 402 (Economy/Employment) and 403 (Manpower). Mostly reference material, but some correspondence and staff notes. (Kept none)

### **Original Annex Box # 77**

Gerry Feder files from 1967. Exchanges between Department of Labor (DoL) and Feder and others. Feder drafts, etc. No HAW material. One folder of counsel Fred Blackwell material, both personal and business. Kept none.

### **Original Annex Box # 95**

About 50 folders. Appear to date from 1978 Senate floor debate on S.2467 (Labor Law Reform Act; National Labor Relations Act amendments), which eventually fails to pass Senate (other than the bill prints, there are no dates on the material). Each folder relates to an individual amendment to the committee-passed version that was likely to be proposed on the floor by Senators Helms, Hatch, Kennedy, et al. (apparently about 350 floor amendments were offered.) Typically, the outside of each folder has a brief note with HAW talking points. Inside each typical folder is the print of the amendment, section of the bill subject to the amendment, and a pocket folder containing HAW's floor remarks. Some folders contain some additional information, including what appear to be drafts of remarks.

**Ref# 371 and 372.** Kept any copies of amendments, remarks, and talking points.

### **Original Annex Box # 96**

About 80 folders. Typically include committee prints of proposed amendments to HR 8410 (house version of S. 2467, National Labor Relations Act Amendments, the language of which was substituted for that of S.2467 at start of floor debate). 1978. Folders also include photocopies of the relevant section of current law impacted by the proposed amendment. No remarks, etc. here. Some annotations and highlighting.

**Ref# 396.** Kept any copies of bill amendments.
